

**City of Dallas, Trinity Commons Foundation
and Trinity Trust Foundation**

Host Margaret Hunt Hill Bridge Groundbreaking Events

Construction to begin on Calatrava “Signature” Bridge Along Dallas’ Trinity River Corridor

Who: City of Dallas
Santiago Calatrava
Local and State Elected Officials and Congressional Officials
Trinity Commons Foundation
Trinity Trust Foundation

What: The City of Dallas, Trinity Commons and Trinity Trust Foundation will hold events to celebrate the groundbreaking for the Margaret Hunt Hill Bridge. Designed by renowned architect and engineer Santiago Calatrava, the Margaret Hunt Hill Bridge will link Downtown Dallas and the Stemmons Corridor to west Dallas and Oak Cliff. The bridge’s center arch will be the height of a 40-story building, approximately 400-feet tall, with a 1200-foot cable-stayed bridge span. This will be the first of three Calatrava “Signature” Bridges for the City of Dallas. Calatrava’s works include the World Trade Center PATH Terminal in New York, Olympic Sports Complex in Athens and the Milwaukee Art Museum.

Additional sponsors include: Mary Kay, Dallas Citizens Council, JPI, Dallas Market Center, Methodist Health Systems, Zoom 7, Southside on Lamar, Central Dallas Association and Victory Park.

When/Where: Friday, Dec. 9, 2005

2 p.m.

Morton H. Meyerson Symphony Hall
2301 Flora St.
Dallas, TX 75201

Mr. Calatrava will present “Trinity Dallas: Bridging to the Future,” a discussion of his design theory and inspiration for the Trinity River Signature Bridges.

Friday, Dec. 9, 2005

4:30 p.m.
